Dear Mike & Lauren,

Thank you so much for participating in the Day of Laughter! We couldn't have done it without you and all of our wonderful volunteers.

We have waited this long to write to you so that we could report our financial success. After all expenses have been paid, the event and raffle made a net profit of \$2,800! And, not only did we make money on the event, we made a lot of friends. More than 30 people signed up asking to be added to Gilda's Club's data base. More than 400 people purchased raffle tickets. And, everyone who attended the event at Bayshore Mall had a great time.

Thank you again. We're getting closer each day to the day the red door opens.

Sincerely,

  
Davney R. Weber  
Executive Director
