Dear Mike & family,

Thank you and your two daughters for volunteering your time to perform at the 4th Annual Susie Albrecht-Mole Memorial Trust Benefit held on April 25, 2004 at the Oak Creek Community Center.

The majority of the money raised went to a young mother, Mary Kirkorian-Helbling, who was recently diagnosed with myelogenous leukemia. In addition, an annual scholarship is given to a student at the Oak Creek High School in Susie's memory.

Sincerely,

Rosemary Albrecht
